**We need your help** to ensure that every girl who needs a mentor, has a mentor.

Big Sisters  
of BC Lower Mainland

We are committed to enhancing the confidence, self-esteem and well-being of girls through supportive relationships with female mentors, and we need your help.

We are looking for flexible, team-oriented individuals to help us interpret between Big Sisters staff and families, and participate as a valued member on our new Diversity Committee.

Along with interpreting when needed, committee members will also meet a few times a year to discuss how Big Sisters can engage newcomer Canadians, and be as inclusive as possible.

We encourage anyone who is comfortable speaking any of these languages to apply.
