

You can help us reach more vulnerable girls in the Lower Mainland.

BIG AND LITTLE SISTER MATCH (\$167/month)

It costs \$2,000 to make and support each Big Sisters match over one year. Costs Include: child safety training, Little Sister assessments, volunteer screening and training, regular reviews and check-ins with Little Sisters, their families and volunteers.

VOLUNTEER RECRUITMENT (\$100/month)

Without volunteers mentoring cannot happen. Your investment helps us recruit champions that inspire girls to grow into confident, concerned and motivated young people. The recruitment process involves screening and training our volunteers to ensure that we have the best mentors for our Little Sisters.

ACTIVITIES AND WORKSHOPS (\$50/month)

Big Sisters hosts fun, educational, multicultural and community oriented group activities that help build self-esteem and confidence in Little Sisters. Big Sisters' workshops provide mentors with the tools to confidently deal with the diverse challenges that arise in mentoring.
