give back with yoga?

Volunteer with **Yoga Outreach**!

Yoga Outreach has been providing yoga programming for adults and youth in prisons and social service settings in B.C. since 1996.

We are always in need of volunteer yoga instructors for both one-time and ongoing classes!

Volunteers receive ongoing support and become part of a community committed to expanding access to the benefits of yoga.

Volunteers are required to complete Yoga Outreach's Core Training™, hold valid liability insurance, and have proof of completion of a 200 hour YTT program (or grandfathered RYT status).
